MUSIC HIGHLIGHTS:

On this intimate tour you'll get to experience Cuba through the lens of one of the most celebrated and renowned pianists of Cuba today: Jorge Luis Pacheco!

With Pacheco at your side, get a behind-the-scenes look at musical life in Cuba. You'll visit some of Cuba's most prestigious musical conservatories where he honed his craft and enjoy live performances at Havana's most exclusive venues, including an authentic Afro-Cuban musical ritual and Rumba. With Pacheco, you'll get to know and enjoy performances by some of Cuba's most important musicians of popular Cuban music, classical music, and even opera. You'll also enjoy a walking tour of Old Havana, ride in classic cars, visit the Hemingway home, dine at the best paladares in Havana, shop Cuban art, and more!

Day 1: USA-Havana

- Arrive at Jose Marti International Airport (airport transfer included)
- Visit the house and grounds of Ernest Hemingway, Finca Vigía, on your way into Havana (time permitting)

In 1940 Hemingway, with his new wife Martha, purchased a home outside Havana, where the couple lived for the next twenty years. The Hemingway's named the site Finca Vigía, or "lookout farm," and shared their home with dozens of Hemingway's beloved cats, as well as trophies from many successful hunts and fishing expeditions. During their time at the Finca, Hemingway became a fixture of Havana, and stayed in the country longer than many Americans chose to after relations between Cuba and the United States began to deteriorate. He fished extensively aboard his boat, Pilar, and enjoyed the island lifestyle, hanging out in Havana, penning some of his signature works, and entertaining guests. His home, with many original furnishings and personal artifacts can be viewed today.

- Head to lodging for check in and orientation
- Experience a ride in a classic convertible car around Havana City

Havana is beloved by American visitors with its collection of thousands of vintage American cars, manufactured before the Revolution and subsequent US embargo in 1960. In the absence of automobile imports, these living relics are preserved by Cuban mechanics or improvised fixes by the owners themselves. Experience an hour in a classic convertible Chevy, Ford or Oldsmobile.

- Enjoy a welcome rooftop dinner at *paladar* La Guarida
- Nighttime suggestion: Enjoy the various shows of the Fiesta del Tambor at the main theater or other indoor and outdoor venues throughout Havana

Day 2: Havana

- Visit Old Havana and learn about Havana's world-renowned UNESCO heritage designated architecture on an expertly guided walking tour (2 hrs)

There is no better introduction to Havana than a walk through Old Havana. On this walk you will explore Old Havana's five major plazas and see the interiors of cathedrals and other important buildings. UNESCO designated Old Havana as a world heritage site in 1982. Although today Havana is a sprawling metropolis of more than two million people, the old center retains an interesting mix of Baroque and neoclassical monuments, beautiful balconies and courtyards.
