Day 2: Havana

- Begin your day with a classic convertible car ride around Havana City (1 hour)

Havana is beloved by American visitors with its collection of thousands of vintage American cars, manufactured before the Revolution and subsequent US embargo in 1960. In the absence of automobile imports, these living relics are preserved by Cuban mechanics or improvised fixes by the owners themselves. Experience an hour in a classic convertible Chevy, Ford or Oldsmobile.

- Visit Old Havana and learn about Havana's world-renowned UNESCO heritage designated architecture on an expertly guided walking tour (2 hrs)

There is no better introduction to Havana than a walk through Old Havana. On this walk you will explore Old Havana's five major plazas and see the interiors of cathedrals and other important buildings. UNESCO designated Old Havana as a world heritage site in 1982. Although today Havana is a sprawling metropolis of more than two million people, the old center retains an interesting mix of Baroque and neoclassical monuments, beautiful balconies, and courtyards.

- Lunch at El del Frente (a staff and client favorite – try the daiquiris!)

During their time at the Finca, Hemingway became a fixture of Havana, and stayed in the country longer than many Americans chose to after relations between Cuba and the United States began to deteriorate. He fished extensively aboard his boat, Pilar, and enjoyed the island lifestyle, hanging out in Havana, penning some of his signature works, and entertaining guests. His home, with many original furnishings and personal artifacts can be viewed today.
